MUHAMMAD QASIM RAZA

BS SOFTWARE ENGINEERING STUDENT

ABOUT ME

My name is Muhammad Qasim Raza. I am a student of undergraduate "BS Software Engineering" (6th semester) at Sindh Madrasa-tul-Islam University, City Campus, Karachi.

I have successfully completed the MERN Stack Development program at "Bano Qabil Institute" and have received a well-deserved certificate. During the course, I acquired valuable skills in developing full-stack web applications with MongoDB, ExpressJS, ReactJS, and NodeJS, which are essential tools and technologies in the web development field.

As a student, I am an entry-level candidate who is eager to learn and contribute to the organization.

My academic background in software engineering has provided me with a strong foundation in relevant skills and knowledge.

I am driven and eager to acquire new skills and advance in a professional environment.
